

Virginia Tech Priority Review

Virginia Tech is making YOU a priority!

Virginia Community College students who apply to transfer to Virginia Tech by January 4, 2017, have the opportunity to get an early admissions decision, which allows you additional time to make future plans!

- Priority Review is available to applicants in all majors except interior design and landscape architecture. These applications will be reviewed within the context of the applicant pool following the regular transfer process and deadlines.
- Although admission to the majors of architecture and industrial design is not available, if you remain interested in architecture, please consider the graduate program. archdesign.vt.edu/admissions/graduate-admissions
- If Priority Review is too early for you, applications will still be reviewed under the regular transfer process and deadline.

Advising Programs: Students interested in pre-professional preparation in areas such as medicine, dentistry, physical therapy, pharmacy, veterinary medicine, and law, may choose any major in any college, and may arrange to work with the appropriate pre-professional advisor to prepare for application and admission to the professional school of their choice.

1 Applications accepted from incoming freshmen only; transfers may not choose these majors.
2 A maximum of 28 credits from the Agricultural Technology program can be applied toward a four-year degree in the College of Agriculture and Life Sciences.

3 Restricted major—one for which demand far exceeds available space. Freshman students applying to these majors will automatically be considered for their 2nd choice major.
4 Students are admitted in fall semester only.

5 Portfolio review required for entry at end of freshman year.
6 The majors in orange text are not available as a second-choice major.
